

ACQUA
DI
PARMA

THE ORIGIN

Acqua di Parma was created in 1916 as a personal Colonia, capturing what we love about Italy: its unique sunny sophistication and easy elegance. Today, it has grown into a global icon of Italian style. Its prestigious Amenities line shares with the world a yellow gift of Italian sun, soul and style.

A TIMELESS CONTEMPORARY BRAND

A world of values inspired by the best of the Italian Lifestyle: passion for beauty, attention to detail and a contemporary interpretation of a timeless luxury.

SUSTAINABILITY

Acqua di Parma has always worked to eliminate or minimize the environmental impact of its decisions and activities. The current Hotel Line, in fact, is made entirely with recycled and recyclable PET plastics.

AN ICON OF ITALIAN STYLE

Since 1916, Acqua di Parma has embodied the elegance, vibrancy, and heritage of the Italian lifestyle. With a passion for beauty, refined details, and a contemporary vision, it celebrates the essence of timeless luxury.
